Width:

7.600 inches

Thickness:

0.187 inches

Length:

8.600 inches

Mounting Hole Diameter:

0.348 inches seventh hole

Mounting Hole Quantity:

8

Mounting Hole Type:

Unthreaded

Corner Radius:

0.380 inches

End Application:

2320-01-494-7606 and 2355-01-539-3639, both light armored vehicles

Product Name:

Plate, end

Special Features:

Curved left end is a 90 degree bend; component requires bending operation

Material:

Aluminum

Shape:

Curved left

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
