Overall Length:

3.000 inches

Overall Height:

0.704 inches

Overall Width:

4.500 inches

End Application:

Mk25, canister

Product Name:

Bracket, telemetry

Special Features:

Nha; 7117001-9 and used on cstr mk 25; bracket is in the shape of a raised t configuration.

Material:

Aluminum alloy

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
