Body Thickness:

0.625 inches

End Application:

Nsn 2350-01-436-0005 armored reconnaissance-airborne assault

Product Name:

Top cover, m2a3

Material:

Aluminum alloy 5083

Material Specification:

Astm b 209 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
