End Application:

Nsn 2350-01-405-9887 armored reconnaissance-airborne assault

Product Name:

Bracket, m3a2 ods

Special Features:

.190 in thickness

Material:

Aluminum alloy 5083

Material Specification:

Astm b209 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
