**End Application:**

Trailer mounted persistent surveillance tower

**Product Name:**

Strut pipe clamps

**Special Features:**

Electro-zinc plated - astm b633-sc3 type i; material: steel; 3/4"; type: strut pipe clamp; clamps conduit perpendicular to strut beam; work load limit: 600 lbs; weight: 0.15 lbs

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T319-d
