End Application:

4610-01-572-8283, lightweight water purification system (lwps)

Design Type:

Friction

Product Name:

Plug

Special Features:

Precision molded; smooth operating; fits 1/2 inch and 3/4 inch couplings; operating conditions: 3/8 inch to 2 inch 100 psi at 0 degrees f, 3/8 inch to 2 inch 125 psi at 70 degrees f, and 3/8 inch to 2 inch 70 psi at 150 degrees f; has an attached pull ring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
