End Application:

B1 aircraft

Product Name:

Bracket, support - eng bl air temp compensator aft inbd, assembly of

Special Features:

Item is an assembly of 1 - support p/n I5344808-003 and rivets nas1198-6 as required. dimensions are 4.00 long, 3.35 wide, material is 0.063 thick; t.O. 1b-1b-4-21 figure 27 index 47/2

Material:

Steel comp 301

Material Specification:

Mil-s-5059 comp 301 cond 1/2 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0

Mil-std (military Standard):

Mil-s-5059 spec.
