**End Application:**

B1 aircraft

**Product Name:**

Bracket, support - eng bl air temp compensator aft inbd, assembly of

**Special Features:**

Item is an assembly of 1 - support p/n I5344808-003 and rivets nas1198-6 as required. dimensions are 4.00 long, 3.35 wide, material is 0.063 thick; t.O. 1b-1b-4-21 figure 27 index 47/2

**Material:**

Steel comp 301

**Material Specification:**

Mil-s-5059 comp 301 cond 1/2 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A042a0

**Mil-std (military Standard):**

Mil-s-5059 spec.
