**Tongue Hole Type:**

Round, unthreaded

**End Application:**

3655-01-556-1083, n2 - nitrogen generating system

**Fastening Device Type:**

Plain slotted head screw

**Product Name:**

Clamp, mounting

**Special Features:**

Nha membrane sub-assy, 800-560; in addition to machine screw as a fastening device, secured also by self-locking nut

**Style Designator:**

Right hand clamp & bracket

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
