Width:

3.000 inches

End Application:

Navy code 000a8227

Mounting Method:

Mounting slots

Section Length:

26.520 inches

Height:

0.560 inches

Product Name:

Rail, slide mount, pdu, a & j

Special Features:

Matl is 0.090 inch thick

Material:

Steel

Surface Treatment:

Zinc

Surface Treatment Specification:

Astm b633, sc 3, ty ii, yel chromate assn standard single treatment response

Style Designator:

1 - piece

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
