Overall Width:

0.688 inches

End Application:

Stryker

Loop Inside Diameter:

0.875 inches

Product Name:

Clamp, loop, cushioned

Material:

Steel

Material Specification:

Mil-p-20689, 0.032 inch thick military specification single material response cushion

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type ii, class 3 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700

Mil-std (military Standard):

Mil-p-20689 spec.
