**Overall Length:**

1.250 inches

**Tempurature Rating:**

180.0 degrees fahrenheit

**Overall Width:**

0.250 inches

**Diameter:**

0.500 inches

**Material Thickness:**

0.469 inches

**End Application:**

Mrap buffalo mk2a2

**Special Features:**

0.2812 inch diameter mounting hole: package quantity: 25; temperature range: negative 30 to 180 degree fahrenheit

**Material:**

Stainless steel

**Surface Treatment:**

Plastic vinyl band

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
