Overall Length:

15.500 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

13.130 inches

End Application:

Body group, forklift

Mounting Facility Quantity:

2

Mounting Method:

Unthreaded hole

Product Name:

Handle, purethane black

Special Features:

The handle covering is urethane foam which is black; handle also includes 2 small black plastic screw covers

Color:

Black grip

Material:

Steel handle

Style Designator:

Concave

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
