Overall Length:

2.937 inches

Overall Height:

1.804 inches

Overall Width:

1.995 inches

End Application:

5340-01-594-1449

Product Name:

Carrier, pawl

Special Features:

Material: alloy steel aisi-4340; surface treatment: heat treat to 40-45 rockwell-c in accordance with mil-h-6875. Magnetic particle inspect entire item per mil-std-1907, grade a. Apply protective coating dod-p-16232, type m, class 1. Finish coat all surfaces with .0002-.0005 thick solid film lubricant mil-l-46010;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Mil-std (military Standard):

Mil-h-6875 spec.
