Overall Length:

0.625 inches

Overall Height:

0.718 inches

Overall Width:

0.436 inches

Overall Diameter:

0.625 inches

Product Name:

Detent

Special Features:

Material: steel 4140; surface treatment: heat treat to 45-50 rockwell-c, after heat treatment, magnetic particle inspect in accordance with mil-i-6868. Apply protective coating mil-p-16232, type m, class 2;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
