Overall Length:

0.719 inches

Overall Height:

0.875 inches

Overall Width:

0.875 inches

Overall Diameter:

0.875 inches

Product Name:

Detent, piston

Special Features:

Material: steel 4140; surface treatment: heat treat to 40-45 rockwell-c. Magnetic partical inspect entire item in accordance with mil-i-6868.

Apply protective coating mil-p-16232, type m, class 2;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
