**Outside Diameter:**

220.3 millimeters

**Mounting Hole Diameter:**

20.5 millimeters all holes

**Mounting Hole Quantity:**

16

**Mounting Hole Type:**

Unthreaded

**Product Name:**

Plate

**Special Features:**

Has 8 additional mounting holes with diameter of 7.1mm

**Material:**

Steel

**Material Specification:**

Astm a681 assn standard single material response

**Shape:**

Flat or special

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A530d0
