Outside Diameter:

220.3 millimeters

Mounting Hole Diameter:

20.5 millimeters all holes

Mounting Hole Quantity:

16

Mounting Hole Type:

Unthreaded

Product Name:

Plate

Special Features:

Has 8 additional mounting holes with diameter of 7.1mm

Material:

Steel

Material Specification:

Astm a681 assn standard single material response

Shape:

Flat or special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
