Thread Direction:

Right-hand

Mounting Facility Quantity:

1

Mounting Method:

Threaded hole

Mounting Facility Diameter:

1.000 inches

Thready Qty Per Inch (tpi):

8

Thread Size:

1.000 inches

Product Name:

Swivel leveling mount zinc plated steel base and nut without pad

Special Features:

20000 lb load

Material:

Steel nut

Surface Treatment:

Zinc nut

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
