Material Thickness:

0.125 inches

Mounting Hole Quantity:

0

Body Width:

2.000 inches

Mounting Method:

Welded

Performance Type:

Not rated

Reversible Feature:

Included

Pin Removability:

Removable

Rising Pin:

Included

Knuckle Quantity:

3

Pin Center To Body Edge Distance:

1.000 inches

Knuckle Type:

Friction

Material And Location:

Aluminum alloy

Surface Treatment And Location:

Aluminum alloy

Product Name:

Surface-mount hinges without holes

Style Designator:

Butt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25100
