End Application:

2320-01-544-9638 truck, utility

Fastening Device Type:

0.025 inch mounting screw

Product Name:

Clamp, loop-cushioned, multiple line, two tubes with 1/4" mounting screw

Special Features:

Finish reference: zinc plate gold per ump-pr-zin-004 or cadmium plate gold per ump-pr-cad-006

Material:

Steel comp 1008 or steel comp 1020

Material Specification:

Ump-mt-crs-001 mfr ref single material response

Surface Treatment:

Zinc or cadmium

Style Designator:

Multiple loop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
