Diameter:

2.500 inches

Thickness:

0.440 inches

End Application:

Rbp tiller, tiller housing and spline shaft assembly

Product Name:

Disk, filler

Material:

Plastic polyethylene

Material Specification:

Astm-d4020 ty-uhmw-pe assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
