Overall Length:

18.750 inches

Overall Height:

1.000 inches

Overall Width:

2.000 inches

End Application:

Rifle, 7.62 mm

Product Name:

Support bar, trc front card

Special Features:

Mounting bracket assembly made up of alum bar, rectangular tube & plate stock with fastening hdw.

Material:

Aluminum alloy

Material Specification:

Astm-b211 & astm-b209 & astm-b221 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
