Tongue Hole Type:

Round, threaded

Cushioning Environmental Protection:

Heat

Media For Which Gasket Is Designed:

Gas

Overall Width:

32.0 millimeters

Fastening Device Type:

Threaded rod

Loop Inside Diameter:

301.0 millimeters

Thready Qty Per Inch (tpi):

18

Thread Size:

0.312 inches

Product Name:

Muffler body band clamp

Special Features:

W-foot muffler body band for traditional mufflers; high temp black finish; 2 attachment bolt holes with 10 mm bolt diameter; clamp bolt is 5/16-18 unc

Style Designator:

T-bolt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A12700
