Overall Height:

0.312 inches

End Application:

Husky

Material Hardness Rating:

Between 60.0 durometer and 70.0 durometer

Outside/top Flange Diameter:

0.625 inches

Special Features:

Mounting method: adhesive-backed

Color:

Black

Material:

Plastic polyurethane

Style Designator:

Round top

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A53510
