**Overall Length:**

47.000 inches

**Overall Height:**

1.250 inches

**Overall Width:**

7.500 inches

**End Application:**

C-17a; fwd inbd main gear; used o17p2a3911-551

**Product Name:**

Foam assembly, forward inboard main gear (lh)

**Special Features:**

Tape, erosion, polyurethane flat stock; 7.500 in wide, 47.000 length

**Material:**

Plastic polyethylene

**Material Specification:**

Dms2497, type 1, class 1, grade a mfr ref single material response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A536n0
