Material Thickness:

9.0 millimeters

Length:

50.0 millimeters

Base Width:

110.0 millimeters

End Application:

C-rail 240

Product Name:

Track support bracket

Err Default:

Err default

Err Default:

Err default

Special Features:

M-10 bolts provided; galvanized steel bracket

Material:

Steel

Style Designator:

Closed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09900
