Diameter:

Between 0.4375 inches and 0.5625 inches

Thickness:

0.1562 inches

End Application:

Aircraft, p3-c orion (model: na01-75paa-2-51ne)

Hole Quantity:

2

Wire/cord Diameter For Which Designed:

0.0937 inches

Product Name:

Seal, lock

Material:

Lead

Material Specification:

Qq-l-201, gr 8 military specification single material response

Shape:

Round w/flatted sides

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539q0

Mil-std (military Standard):

spec.
