Thread Direction:

Right-hand right internal

Flange Diameter:

31.75 millimeters

Flange Thickness:

2.79 millimeters

Diameter:

31.75 millimeters

Length:

Between 31.62 millimeters and 32.64 millimeters

Corner Radius:

1.27 millimeters

Cross-sectional Shape:

Round

Thread Size:

4.48 millimeters right internal

Thread Pitch In Millimeters:

0.80 right internal

Product Name:

Standoff, int thd, metric

Special Features:

Item has inspection hole perpendicular to shaft located 2 thread pitch below inserts; dia of shaft is 11.18/11.94 mm

Material:

Plastic

Style Designator:

Flanged

Thread Series Designator:

Mj right internal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A08900
