Mounting Method:

Bolt hole or screw hole

Product Name:

Retractor, cable

Special Features:

End item identification: integrated family of test equipment (ifte)

Height:

16.750 inches

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Anodic coating

Surface Treatment:

Anodic coating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T378-e
