Overall Length:

9.940 inches

Overall Height:

0.250 inches

Overall Width:

8.500 inches

Mounting Hole Quantity:

4

End Application:

2350-01-506-0132

Product Name:

Bracket, mount dagr, right side

Special Features:

The 4 threaded mounting holes have 32 threads per inch, are class 2b, and their thread classification is unc; 2 other holes used for attaching the bracket to a surface are each 0.750 in (nom) through holes

Material:

Aluminum alloy 5083

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
