End Application:

C16 typhoon, eurofighter aircraft

Product Name:

Qc4 series instrumentation quick-connect

Special Features:

Body material: 316 stainless steel; used on dolly test equipmen (4920-33-208-7688)

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539k0
