End Application:

2350-01-506-0132

Product Name:

Dwg weldment, bracket, display army: bracket, mounting

Special Features:

Irregularly shaped see drawing for details

Material:

Aluminum alloy 5083

Material Specification:

Astm b209, h-32 assn standard single material response

Surface Treatment:

Paint

Style Designator:

Offset double angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
