**End Application:**

2350-01-506-0132

**Product Name:**

Dwg weldment, bracket, display army: bracket, mounting

**Special Features:**

Irregularly shaped see drawing for details

**Material:**

Aluminum alloy 5083

**Material Specification:**

Astm b209, h-32 assn standard single material response

**Surface Treatment:**

Paint

**Style Designator:**

Offset double angle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
