Product Name:

Support, bracket

Special Features:

2 holes: min. 0.196 and max. 0.202 inch; thickness: 0.100 inch

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
