**Product Name:**

Support, bracket

**Special Features:**

2 holes: min. 0.196 and max. 0.202 inch; thickness: 0.100 inch

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
