Overall Length:

8.380 inches

Overall Height:

3.940 inches

Overall Width:

11.250 inches

Mounting Hole Type:

Plain

End Application:

5935-01-578-7684

Product Name:

Aluminum top hat (converter board bracket aluminum)

Special Features:

Has two ventilation slots on one side and three on other

Material:

Aluminum alloy

Style Designator:

Quadruple angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
