Diameter:

1.000 inches

Length:

1.125 inches

Cushioning Material:

Plastic, polyurethane

Support Method:

Reinforcement

Support Material:

Steel

Product Name:

Cushion

Special Features:

Fan rev cowl; steel is stainless and is formed into tube having 1/2 inchod x 0.049 inch wall thickness x 0.625 in length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T141-e
