Width:

1.5 inches

Overall Length:

120.0 inches

Length:

14.0 inches

End Application:

Integrated family of test equip (ifte)

End Type:

Both w/attachments

Fastened Hook Feature:

Included

Hook Fastening Method:

Snap fastener

End Attachment/fastening Facility:

Clip

Product Name:

Ratchet assembly w/clips

Color:

Black

Material:

Nylon and steel, aisi 304 and steel, aisi 316

Material:

Plastic polyamide and steel comp 304 and steel comp 316

Material Specification:

Aisi 304 assn standard 2nd material response and aisi 316 assn standard 3rd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-b
