Overall Width:

1.75 inches

End Application:

1733-00-0,5-4100

Product Name:

Clamp-outboard corner

Special Features:

Color is tan

Material:

Aluminum alloy or aluminum alloy 6061

Material Specification:

Aams a 21180, class 10 if cast assn standard single material response or astm b 221 if machined assn standard single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
