Overall Width:
1.75 inches
End Application:
1733-00-0,5-4100
Product Name:
Clamp-outboard corner
Special Features:
Color is tan
Material:
Aluminum alloy or aluminum alloy 6061
Material Specification:
Aams a 21180, class 10 if cast assn standard single material response or astm b 221 if machined assn standard single material response
Surface Treatment:
Paint
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A12700
