Overall Width:

0.750 inches

Material Thickness:

0.062 inches

End Application:

2320-01-544-9638

Largest Loop Width:

1.000 inches

Product Name:

Clamp, cushioned, double loop

Special Features:

Cushion material is neoprene

Material:

Steel

Style Designator:

Multiple loop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
