Overall Length:

3.26 inches

Overall Height:

0.190 inches

End Application:

Raytheon p/n g614990-1, smart-t

Special Features:

Material is aluminum 6061-t6 per federal specification qq-a-250/11. Chemical film in accordance per military specification mil-c-5541, class 1a. Item has a centrally located 0.500-0.508 x 0.500-0.508 inch square aperature.

Color:

Green

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Mil-std (military Standard):

Mil-c-5541 spec.
