**Center To Center Distance Between Mounting Facilities Parallel To Width:**

2.640 inches

**Overall Height:**

1.300 inches

**Mounting Hole Diameter:**

0.310 inches

**Sealing Method:**

Mechanical and compression

**Body Outside Diameter:**

2.640 inches

**End Application:**

NSN2-32-001-5449

**Mounting Method:**

Plate and screw

**Product Name:**

Grommet, radio cables

**Material:**

Rubber body

**Material Specification:**

Astm d2000, -5bc614a14b14c12e034f19 assn standard single material response body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02000
