Material Thickness:

0.040 inches

Mounting Hole Diameter:

0.125 inches

Body Width:

1.187 inches

Performance Type:

Light duty

Reversible Feature:

Not included

Pin Removability:

Nonremovable

Knuckle Quantity:

5

Knuckle Type:

Bushing

Material And Location:

Brass

Product Name:

Surface-mount hinge

Style Designator:

Butt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25100
