Mounting Hole Quantity:

3

Overall Thickness:

0.250 inches

End Application:

2320-01-540-2017

Mounting Method:

Unthreaded mounting holes

Product Name:

Seal cover plate

Special Features:

It is adhesive; also contains rubber in matterial is water resistant

Material:

Plastic

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A514c0
