**Mounting Hole Quantity:**

3

**Overall Thickness:**

0.250 inches

**End Application:**

2320-01-540-2017

**Mounting Method:**

Unthreaded mounting holes

**Product Name:**

Seal cover plate

**Special Features:**

It is adhesive; also contains rubber in matterial is water resistant

**Material:**

Plastic

**Shape:**

Irregular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A514c0
