End Application:

8750015-sa

Aperture Shape:

Rectangular

Product Name:

Army: plate assembly; dwg: plate

Special Features:

Consists of (1) plate 12521550 (19207) and (4) inserts, .190-32 id. .3125 - 18 od, ms51830-201 (96906); roughly rectangular with cut out on bottom long edge; inserts near each corner

Material:

Aluminum

Surface Treatment:

Paint

Shape:

Irregular

Surface Treatment Specification:

Fed-std-595, color 17925, white federal standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
