Width:

5.85 inches

Edge Shape:

Rectangle, four holes

Length:

9.19 inches

Hole Quantity Along Length:

2

Hole Quantity Along Width:

2

Securing Device Type:

Threaded fastener

End Application:

Pnl wtr detect

Corner Cut Type:

Square

Product Name:

Type 4x polyester junction box w/window pj series

Special Features:

Op.Temp between 130c & -40c; ss hinge; polycarbonate viewing windows; prov. Padlocking/snap latch door ssfasteners; mtg hardware incl; uv inhibitors; opt inner pnl/ter. Kit mtg.

Material:

Glass fiber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A531c0
