Overall Width:

0.375 inches

End Application:

Qa wtrtt doors arr & dets non standard

Hole Shape:

Round

Product Name:

Connecting rod corner

Special Features:

Dimensions noted on assembly drawing are 3/8 x 1/2 fb

Material:

Steel comp 316

Material Specification:

Cres 316 iaw astm-a-276 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A264a0
